

CITIC Group's Hong Kong and Macau Regional Business Synergy Forum

In order to enhance the synergy of businesses among CITIC Group of companies and strengthen the company branding in Hong Kong and Macau, the captioned forum was held in Hong Kong on 27 Sept 2018. The CITIC Group senior management including Mr Pu Jian, Vice President, Mr So Guoxin, General Manager for Department of Business Coordination and Mr Sun Deshun, President of China CITIC Bank Corporation Limited attended the forum. About 50 representatives from 20 Group Companies participated in the event.

Mr Pu Jian reiterated the importance of synergy in CITIC Group and has to do it right to harmonize the competition and support internally for the opportunities we face in the market. The ultimate goal is to increase value to the Group and subsidiaries.

CIAM and its immediate holding company CIFH participated in the forum together with the representatives from CITIC Merchant, CITIC Carbon and CIAM Capital. Participants proactively exchanged ideas specially the feasibility of business coordination in the Greater Bay Area and One Belt and Road Initiative. Taking the advantages of special regional policies, we strive to look for new opportunities to better develop our business.
